CHECK YOUR TENSION

Before you start working on a pattern, make sure that the end-result will be perfect by making a swatch.

You've got to make sure that your knitting tension is exactly the same as the tension in our pattern. If it isn't, your garment is likely to be too big or too small.

HOW TO MAKE A SWATCH ?

Using the yarn, needles, and stitch specified for the pattern, work a square at least 6 in (15 cm) on a side.

Iron the square lightly on the wrong side under a damp cloth or using a steam iron. If the swatch is worked in ribbing, stretch it slightly. With a ruler, count the sts to equal 4 in (10 cm) widthways and 4 in (10 cm) lengthways.

Compare the result with the sample given in our instructions.

Your tension square matches ours !

You can start your knitting, you can be sure your project will have the same dimensions as the grid.

Your sample has more stitches and rows ?

Your knitting is too tight. Make another swatch with needles one size larger.

Your sample has fewer stitches and rows ?

Your knitting is too loose. Make another swatch with needles one size smaller. When your swatch matches ours, you're ready to follow the instructions. You can expect to end up with a garment that's just right.

BEWARE: It is important to achieve an exact number of stitches for the design to fit correctly. However, the number of rows can be adapted depending on the height indicated in cm.

Read the instructions

Before you start knitting we advise you to read through the instructions, trying to imagine all of the steps you will be taking. All patterns are well detailed.

The instructions are given for several sizes. We suggest that you circle or underline the numbers that correspond to the size you intend to make. If there's only one number, it applies to all the sizes.

BASIC KNITTING STITCHES

1/1 rib

Cast on an uneven number of stitches.

Row 1 : knit 1, purl 1, and repeat these 2 stitches to the last stitch, knit 1.

Row 2 and subsequent rows : purl over the purl stitches, knit over the knit stitches. Repeat these 2 rows.

2/2 rib

Cast on a multiple of 4 stitches + 2 (e.g., 22 stitches).

Row 1 : knit 2, purl 2, and repeat to the last stitches, knit 2.

Row 2 and subsequent rows : purl over the purl stitches, knit over the knit stitches. Repeat these 2 rows.

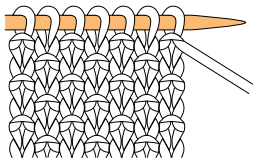

Seed or moss stitch

Cast on an uneven number of stitches.

Row 1 : knit 1, purl 1, repeat these 2 stitches.

Row 2 and subsequent rows : purl over knit stitches, knit over purl stitches.

Corn stitch

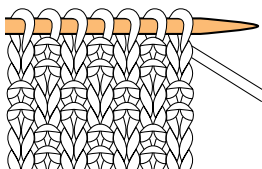

Cast on an uneven number of stitches.

Row 1 : knit 1, purl 1, repeat these 2 stitches, ending with knit 1.

Row 2 : purl over purl stitches, knit over knit stitches.

Row 3 : purl over knit stitches, knit over purl stitches.

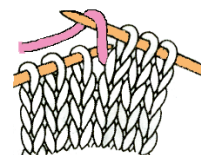

Row 4 : purl over purl stitches, knit over knit stitches. Repeat these 4 rows.

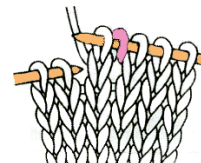

Yarn forward

By bringing the yarn forward you add a stitch and make an eyelet.

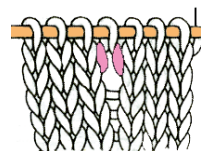

Bring the yarn in front of the work then over the right-hand needle.

Work the next stitch on the left-hand needle. The yarn forward loop forms an extra stitch with a hold at its base on the right-hand needle.

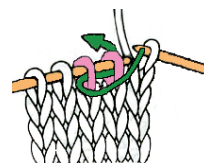

Next row : When you come to the yarn forward loop, purl it as you would any other stitch; you now have 1 extra stitch.

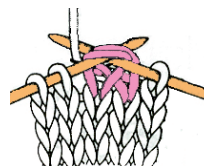

Knit 2 together

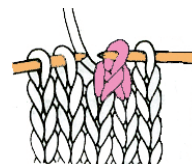

Put the right needle through the 2nd then the 1st stitch on the left hand needle.

Knit the 2 stitches together (wrap yarn around right hand needle and pull through the 2 stitches on the left needle).

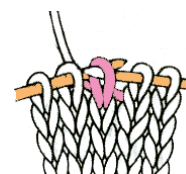

By knitting 2 stitches together you will have 1 less stitch on the needle..

Slipped stitch

With the yarn at the back of the work, insert the right-hand needle into the next stitch from right to left, as if to purl. Slip the stitch on to the right-hand needle and continue working as given.

Next row : Purl the slipped stitch.

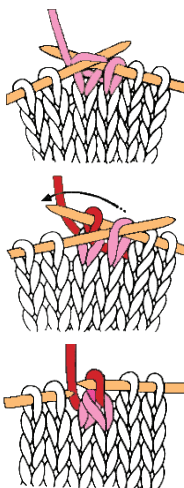

Single decrease

Slip a stitch on to the right-hand needle as if to knit.
Knit the next stitch.

Using the left-hand needle, pass the slipped stitch over the stitch you just worked.

After working a single decrease, you have 1 less stitch on the needle.

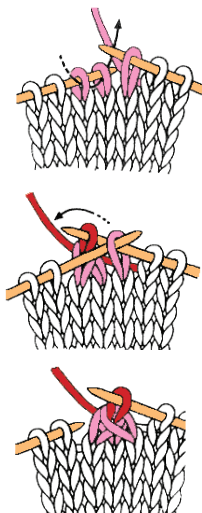

Double decrease

Slip a stitch on to the right-hand needle as if to knit.
Knit the next 2 stitches together.

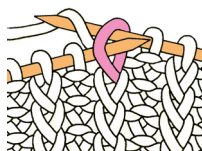

Using the left-hand needle, pass the slipped stitch over the 2 stitches you just worked.

After working a double decrease, you have 2 fewer stitches on the needle.

Twisted knit stitch

Knit the stitch, inserting the needle through the back loop to twist the new stitch.

Twisted purl stitch

Purl the stitch, inserting the needle under the back loops to twist the new stitch.

Nonstitch or suppressed stitch

Sometimes, the number of stitches varies from row to row in a pattern; the nonstitches or suppressed stitches are represented by black squares on the chart.

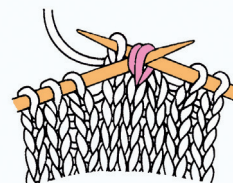

When you follow the chart, do not try to work the black squares but go directly to the next square.

Working in reverse

When instructed on the front of a garment, for example a jacket, to work the other front in reverse. If you increased or decreased at the beginning of a right side row on the first front you must increase or decrease at the end of the right side row on the second front at the same measurement. The positions of the stitches used will also be reversed, if you ended with a ribbed section for a border on the first front you will start with the ribbed section on the second front. However the pattern should remain the same (do not reverse a cable twist for example).

Double decrease slip slip knit

Slip 2 stitches as if to knit. Knit 1.
Pass the 2 slipped stitches over the stitch just worked..

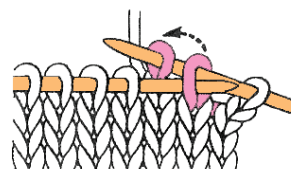

Raglan decreases

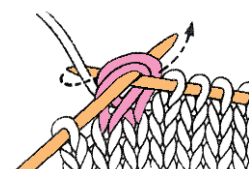

This method of decreasing is always used for Raglan sleeves. It forms a line of slanting stitches parallel with the seam. The decrease is worked with the right side facing, one or more stitches from the edge.

The example shows decreases 1 stitch from the edge :

At beginning of row, with right side facing, knit 1, slip 1, knit 1, pass slipped stitch over (See above).

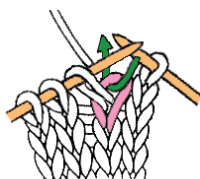

Continue the row as indicated. When 3 sts are left on the left-hand needle, knit the next 2 sts together (see knit 2 together, page 7), knit the last stitch.

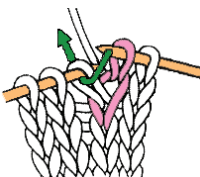

Increases **within a row**

When you need to increase a stitch in a row you will need to work twice into one stitch.

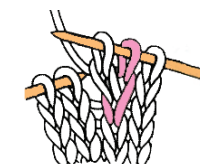

Put your right needle through the loop of the stitch below the current stitch on your left needle, knit into this stitch.

Work the stitch on your left needle as normal.

You will have one more stitch.

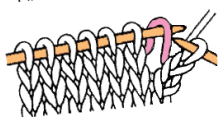

Increases 1 stitch **in from edge of row**

These increases are always done on the right side of work, 1 stitch in from the edge.

At the beginning of the row, on the right side of work, knit 1 stitch, put the right needle under the horizontal thread before the first stitch on left needle.

Put this strand onto the left needle.

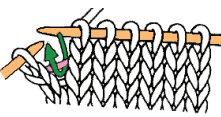

Knit into the back of this loop to twist it.

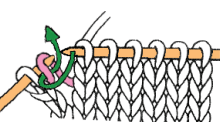

This prevents a gap forming at the bottom of the increased stitch. Continue along the row.

At the end of the row, on the right side of work, work until 1 stitch remains on left needle, pass right needle through the back of the horizontal thread between stitches and place on left needle.

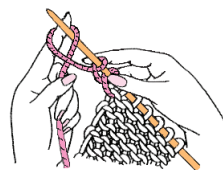

Knit this stitch as normal then knit last stitch.

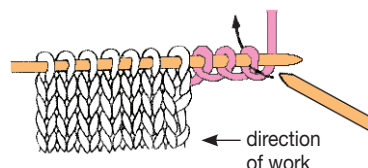

Increases of one stitch or more **at end of work**

Wrap yarn around the needle at the beginning of the row as many times as you need stitches. If you are increasing at each end you will also need to do at the end of the row.

Work these stitches as knit or purl in the pattern required.

Stretch cast-on

Short Row Shaping Short rows are rows which are not worked in their entirety, this gives a curve to the work as more rows are completed on one side than the other. They can be used on just one side of work or both sides, creating a gentle slope instead of the stepped edge created by casting off a series of stitches.

When told to turn the work during the progress of a row you will not work the remaining stitches on the left hand needle.

To avoid creating a hole when you turn the work, after turning, with the yarn at the front of work (as if about to purl), slip the 1st stitch on the left hand needle onto the right hand needle as if to purl, then take yarn back to back of work (called a wrap) & work the remaining stitches as normal.

When you have finished the short row shaping and need to knit across the whole row you need to knit together the wrap & the next stitch. Take the wrapped stitch back over the top of next stitch then knit both together.

Stretch cast-on

Take a ball of yarn in a contrasting colour and cast on half the required number of stitches plus 1 extra.

For example : If the pattern tells you to cast on 45 stitches, using the contrasting yarn cast on

$$\frac{45 + 1}{2} = 23 \text{ stitches.}$$

Now, using the yarn you intend to work the pattern with, work as follows :

Row 1 : * knit 1, bring yarn forward under the needle, yarn over *. Repeat from * to *. End with knit 1.

Row 2 : Slip the first stitch as if to purl on to the right-hand needle, *pass yarn to back, knit 1 (= yarn forward loop from previous row), bring yarn forward, slip next stitch as if to purl *. Repeat from * to *.

Row 3 : * knit 1, yarn forward, slip 1 stitch as if to purl, pass yarn to back *. Repeat from * to *. End with knit 1. Continue working in 1/1 rib, beginning Row 1 with purl 1. After completing the ribbing, pull out the contrasting yarn.

Casting off stitches

1) To form armholes or collar

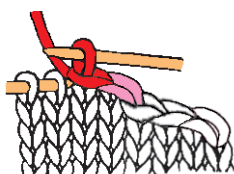

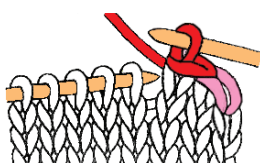

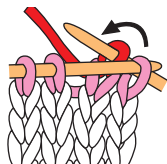

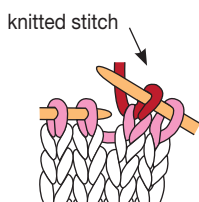

You must cast off stitches at the beginning of rows:

On the right side of work, slip 1 stitch onto the right needle as if to purl. Knit the following stitch.

Using the left needle pass the slipped stitch over the top of the 2nd stitch on the right hand needle. You have cast off 1 stitch.

Knit the next stitch and pass stitch on right needle over the top, you have cast off a 2nd stitch. Repeat this step for the required number of stitches. On the following row, on the wrong side of work, cast off in the same way but work the stitches as purl stitches.

On the following row, cast off the next number of stitches indicated in the pattern to obtain a sloped edge.

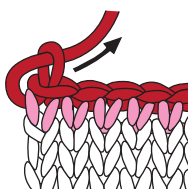

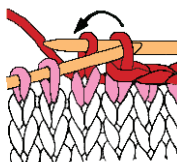

2) When work is complete, to cast off all stitches.

Start to cast off as for casting off at the beginning of row: Slip the 1st stitch, knit the following stitch. With the left needle, pass the slipped stitch over the top of the knitted stitch.

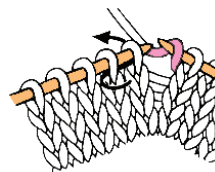

Knit the next stitch and with the left needle, pass the 1st stitch on needle over the top of the current stitch. One stitch remains on right needle.

Repeat this sequence until all stitches from the left needle have been worked and only one stitch remains on right needle. Cut thread 10 cm from work and pull through remaining stitch using needle.

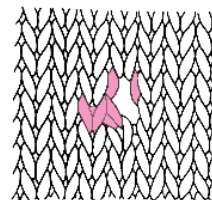

Small buttonholes

For a small buttonhole, one stitch is sufficient to make a buttonhole:

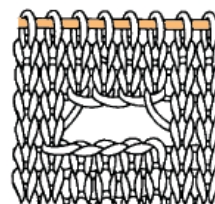

Yarn over needle, then knit 2 together. On the next row work the yarn over needle as normal.

Buttonholes

1st row : Work to where the buttonhole should be, cast off the number of sts indicated in the pattern and work to end of row.

2nd row : Work to cast off sts, cast on the same number of sts as 1st row and work to end of row.

No-cut buttonholes

Using a sewing needle, pick up the horizontal strand of the stitch where you want to place the buttonhole, pull it up and attach it 2 rows higher with a few little stitches on the wrong side of the work. Repeat with the horizontal strand below the first strand, and attach it in the same way 2 rows down.

Pattern stitches

Instructions for pattern stitches are always given row by row, as well as in chart form, with each square on the chart representing 1 stitch and 1 row.

The accompanying legend explains the terms and matches the symbols to the stitches. The chart shows the right side of the work, it is not always possible, however, to include all the subtleties of a pattern stitch in a chart. For that reason, we advise you to always read the row-by-row instructions, even if you prefer to use a chart.

Knit over knit and purl over purl is an instruction often used for ribbing and pattern stitches.

Cables

It is easy to work narrow cables over 2 stitches :

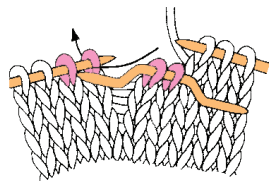

Right cross 2 : Passing in front of the work, knit the 2nd st on the left-hand needle then knit the first stitch; slip both stitches on to the right-hand needle at once.

Left cross 2 : Passing behind the work, knit the 2nd st on the left-hand needle then knit the first stitch as usual; slip both stitches on to the right-hand needle at once.

A cable made up of 3 or more stitches requires the use of a cable needle.

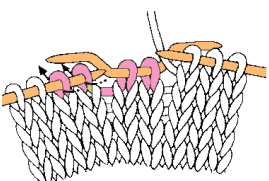

Cable 4 left (front) :

Slip 2 stitches on to a cable needle in front of work, knit 2, then slip the 2 stitches from the cable needle on to the left-hand needle and knit 2.

Cable 4 right (back) :

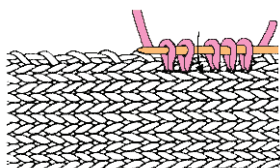

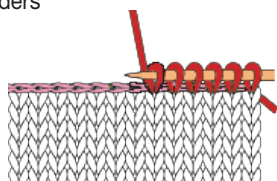

Slip 2 stitches on to a cable needle at back of work, knit 2, then slip the 2 stitches from the cable needle on to the left-hand needle and knit 2.

Picking up stitches

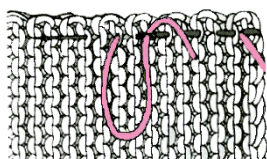

When the different sections of the garment are completed, you may need to pick up stitches at the edge of your work, for example on the collar or front borders

To pick up the stitches knit wise, put needle through the middle of each stitch on the last row and pick up the loop. When you are picking up stitches on rows where there are more rows than stitches required work through 2 or 3 rows then skip 1 row to obtain the number of stitches required in the pattern.

Backstitched seam

Place the 2 pieces right sides together. Thread a tapestry needle with the matching yarn, insert the needle through both thicknesses, matching stitch for stitch, and bring the needle out 2 rows further along.

Grafting

This technique is widely used in European patterns, but is not so popular among UK and US knitters. When you have completed the sections, do not cast off, but leave the stitches on a spare needle.

Thread a tapestry needle with the matching yarn. Work with right side facing. Place the 2 spare needles together.

Insert the tapestry needle through the centre of the first stitch on the front needle as if to purl (leave the stitch on the needle),

– and bring the tapestry needle out at the centre of the first stitch on the back needle as if to knit (leave the stitch on the needle),

*bring the tapestry needle through the centre of the first stitch on the front needle again as if to knit and slip off the stitch,

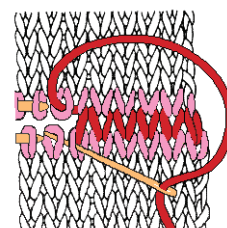

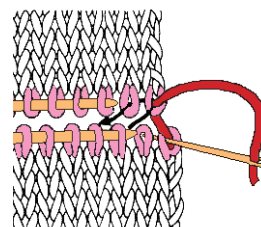

– Insert the tapestry needle through the centre of the next stitch on the front needle as if to purl (leave the stitch on the needle),

– bring the tapestry needle out at the center of the next (first) stitch on the back needle again as if to purl and slip off the stitch,

– Insert the tapestry needle through the centre of the next stitch on the back needle as if to knit (leave the stitch on the needle)*, maintaining an even tension. Repeat the movement until the seam is complete.

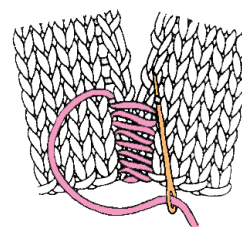

Work all the free stitches into the seam one by one and let the stitches drop off the spare needles as they are grafted together.

The finished seam will look identical to a row of knitting.

Invisible seam

Following the sketch, working with the 2 pieces to be joined, pick up the horizontal thread between the first and second stitches and pull firmly to bring the edges together and make the join invisible. If the edge is very uneven, work the thread between the second and third stitches.

You may also use an invisible seam to join at the shoulder. In that case, pick up the 2 upright strands of a stitch 1 row in from the edge.

Fair Isle

Fair Isle and contrasting colour patterns.

These patterns are worked in stocking stitch using several colours to make a design shown on a chart.]

Each square on the chart represents 1 stitch and 1 row. A legend accompanying the chart indicates the colours. Read the chart beginning at the bottom row, from right to left for the right side of the work, and from left to right for the wrong side rows.

KNITTED PATTERNS

Various techniques are used according to the complexity of the pattern.

- When the motifs of the design are small and close together, you may let the yarn not in use run loosely at the back of the work. Make sure that you don't pull the yarn taut or it will pucker the pattern.
- When the motifs are far apart or very wide, pass the yarn not in use behind the work attaching it along with the one that is in use : hold the yarn not in use in your left hand, then work a stitch passing the right-hand needle under that yarn but taking care not to actually knit the yarn. Repeat this movement every other stitch.
- When the motifs are very large or use several colours, do not try to pass the yarn at the back of the work. Instead, use several balls of each colour, as needed, using the intarsia technique. Each time you change yarn colour, make sure that you twist the yarns loosely at the back of the work to avoid forming holes in the texture.

In all three cases, take care to work evenly, especially where the colours change and stitches tend to be loose.

EMBROIDERED PATTERNS

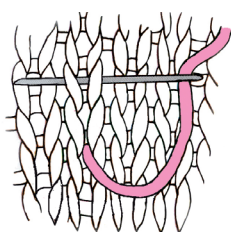

Embroidery can be used to advantage instead of knitted patterns when the motifs are made up of relatively few stitches.

This technique avoids the problems of disposing of extra yarns at the back of the work. For embroidery, form open chain stitch with a tapestry needle, working from right to left.

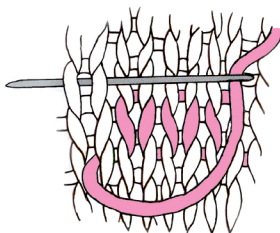

Bring the needle from wrong side to right side at the base of the first stitch, insert the needle from right to left under both strands of the stitch above the one being worked (see sketch no. 1), then insert the needle again at the base of the stitch being worked and bring it out at the base of the next stitch (see sketch no. 2).

Use this technique to embroider the number of stitches indicated. After the last stitch, bring the needle out at the base of the row above. Turn the work to start again from right to left.

Sketch no 1

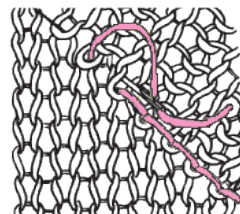

Sketch no 2

Grafting a border

When the border is finished, work a few rows of stocking stitch using a contrasting yarn.

Take the work off the needle and press the stocking stitch section with a warm iron under a damp cloth to prevent it from unraveling. Pin the border to the finished garment, matching the stitches. Unravel all but the last row of stocking stitch. Now graft the stitches, waving the tapestry needle in and out, and unravel the last row of stocking stitch as you go. Bring the needle from back to front through the centre of the second stitch, work a back stitch into the first stitch and bring the needle out again at the centre of the third stitch; now work a backstitch again into the second stitch and continue thus with backstitching as far as the last stitch.

Chainstitch shoulder seam

CHAINSTITCH SHOULDER SEAMS

or 3 needles cast off or 3 needles bind off

Leave the remaining shoulder stitches on a spare needles. Place back and front with wrong sides together.

Using a third needle, knit together the first stitch from the front needle with the first from the back needle, and repeat with the second stitch from each needle. You now have 2 stitches on the right-hand needle.

Pass the first stitch over the second, as in casting off. Continue thus until you have cast off all the shoulder stitches. The result is a chain that shows on the right side and a shoulder seam that will not go out of shape. To obtain an invisible seam on the right side, place back and front with right sides together.

ROMPERS

Rompers are knit in one piece, starting with right front.

RIGHT FRONT:

Right leg:

Using A, cast on **17-19-21-23** sts.

Work in G. st and increase on right edge, 2 sts in from edge:

Newborn: 1 st 7 times every 6th row.

1 month: 1 st 4 times every 8th row, 1 st 3 times every 6th row.

3 months: 1 st 7 times every 8th row.

6 months: 1 st 4 times every 10th row, 1 st 3 times every 8th row.

Continue on the **24-26-28-30** sts obtained until piece measures **11-13-15-17** cm (**4¼-5-6-6¾** in) [**48-58-66-74** rows] total.

Increase on right edge 2 sts once.

Continue **for beginning of body** on the **26-28-30-32** sts obtained until piece measures approximately **14-17.5-21-24** cm (**5½-6¾-8¼-9½** in) [**62-78-92-106** rows] total.

Make a 1-st buttonhole, 2 sts in from edge as follows: k2, yarn over and k2 together (= the buttonhole) and work row to end.

Work as set until piece measures approximately **20.5-24.5-28.5-32.5** cm (**8-9½-11¼-12¾** in) [**90-108-126-144** rows] total, make **1** buttonhole as previously.

Work as set until piece measures approximately **27-31-36-41** cm (**10¾-12¼-14-16** in) [**118-138-160-182** rows] total. Make **1** buttonhole as previously.

Work as set until piece measures **29-33-38-43** cm (**11½-13-15-17** in) [**128-146-168-188** rows] total.

Beginning of right sleeve:

Increase on left edge every 2nd row:

Newborn: 8 sts once, 9 sts once, 12 sts once

1 month: 7 sts twice, 8 sts once, 12 sts once

3 months: 7 sts 4 times, 12 sts once

6 months: 5 sts 5 times, 6 sts once, 12 sts once.

Continue on the **55-62-70-75** sts obtained until piece measures approximately **33.5-38.5-43.5-49.5** cm (**13¼-15-17-19½** in) [**146-168-194-220** rows] total.

Make 1 buttonhole as previously.

Work as set until piece measures **34-39-45-51** cm (**13¼-15¼-17¾-20** in) [**150-172-198-224** rows] total.

Neck:

Cast off on right edge **9-9-10-11** sts once.

Continue on the remaining **46-53-60-64** sts until piece measures **37-42-48-54** cm (**14½-16½-19-21¼** in) [**164-186-212-238** rows] total.

Top of right sleeve, shoulder and back neck:

On right edge cast on **15-15-17-19** extra sts **for back neck**.

Then leave on hold the **61-68-77-83** sts obtained.

LEFT FRONT:

Left leg:

Using A, cast on **17-19-21-23** sts.

Work in G. st and increase on left edge as for right leg.

Continue even on the **24-26-28-30** sts obtained until piece measures **11-13-15-17** cm (**4¼-5-6-6¾** in) [**48-58-66-74** rows] total.

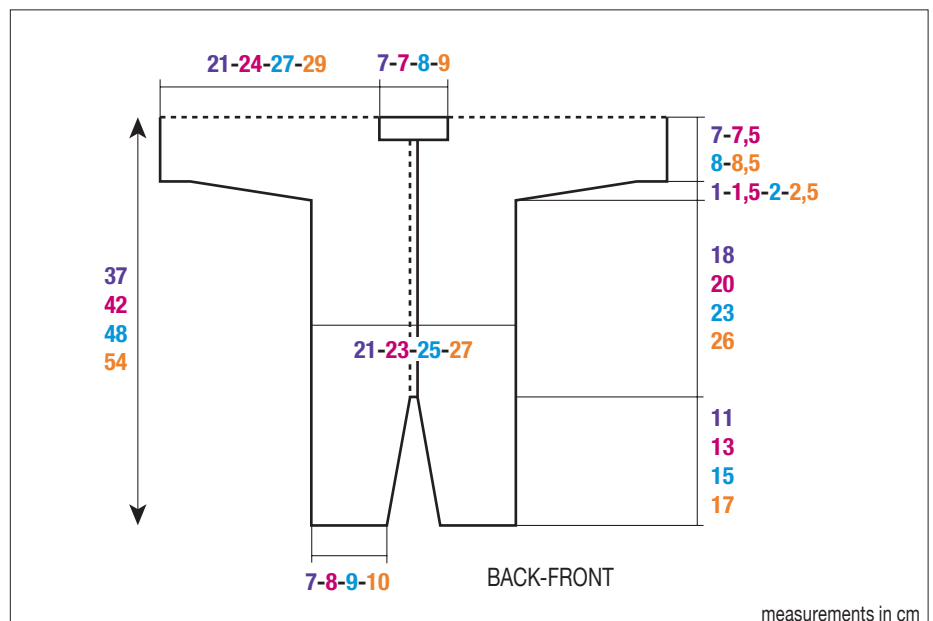

Increase on right edge 2 sts once.

Continue **for the beginning of body** on the **26-28-30-32** sts obtained until piece measures **29-33-38-43** cm (**11½-13-15-17** in) [**128-146-168-188** rows] total.

Beginning of left sleeve:

Increase on right edge as for right front.

Continue on the **55-62-70-75** sts obtained.

CROSSOVER CARDIGAN

Cardigan is made in one piece, starting with right front.

Green arrows on diagram show direction of work.

RIGHT FRONT:

Using A, cast on **33-36-39-44** sts.

Work even in G. st until piece measures **12-13-14-16** cm (**4¾-5-5 ½-6¼** in) [**52-58-62-70** rows] total.

Beginning of armhole and slanted edge:

To mark the beginning of armhole slip a piece of scrap yarn in last st (see diagram), **at the same time for slanted edge** decrease on right edge, 3 sts in from edge:

Newborn: 1 st 8 times every 2nd row.

1 month: 1 st 8 times every 2nd row, 1 st once every 4th row.

3 months: 1 st 8 times every 2nd row, 1 st twice every 4th row.

6 months: 1 st 12 times every 2nd row, 1 st once every 4th row.

To decrease 1 m. on right edge, 3 sts in from edge:

K3, k2 together and work row to end.

Continue on the **25-27-29-31** remaining sts until piece measures **16-18-20-23** cm (**6¼-7-8-9** in) [**70-80-88-100** rows] total.

Neck:

On right edge, leave **5-5-6-7** sts on hold, then cast off every 2nd row: 2 sts twice, 1 st 4 times.

Continue on the **12-14-15-16** remaining sts until piece measures **21-23-25-28** cm (**8¼-9-10-11** in) [**92-102-110-122** rows] total.

After the needles already on needles, cast on **17-19-22** extra sts for back neck.

Then leave on hold the **29-31-34-38** sts obtained.

LEFT FRONT:

Using A, cast on **33-36-39-44** sts.

Work even in G. st until piece measures **12-13-14-16** cm (**4¾-5-5 ½-6¼** in) [**52-58-62-70** rows] total.

Beginning of armhole and slanted edge:

To mark the beginning of armhole slip a piece of scrap yarn in first st (see diagram), **at the same time for slanted edge** decrease on left edge as for right front.

To decrease 1 st on left edge, 3 sts in from edge:

Work row until 5 sts remain on left needle, slip 1 st, k1, pass slipped st over, k3.

Continue on the **25-27-29-31** remaining sts until piece measures **16-18-20-23** cm (**6¼-7-8-9** in) [**70-80-88-100** rows] total.

Neck:

On left edge leave **5-5-6-7** sts on hold, then cast off every 2nd row: 2 sts twice, 1 st 4 times.

Continue on the **12-14-15-16** remaining sts until piece measures **21-23-25-28** cm (**8¼-9-10-11** in) [**92-102-110-122** rows] total.

Leave all sts on hold, **but** do not cut yarn.

BACK:

Work even for **1** row on the **12-14-15-16** sts, then slip onto the empty needle the **29-31-34-38** sts left on hold from right front and work them right after the sts from left front.

Continue to work in G. st on the **41-45-49-54** sts obtained until piece measures **7-8-9-10** cm (**2¾-3-1¼-4** in) [**32-36-40-44** rows] after back neck.

End of armholes:

Slip a piece of scrap yarn in first and last st (see diagram) to mark end of armholes and continue in G. st until piece measures approximately **19-**

21-23-26 cm (**7½-8¼-9-10½** in) [**85-95-103-115** rows] after back neck.

Cast off all sts knitwise on WS.

RIGHT SLEEVE:

Using one needle on RS, slip the needle from left to right through each garter ridge, from the scrap yarn of right front to scrap yarn of back (= green line on diagram).

36-40-44-48 loops on needle = **36-40-44-48** sts obtained.

Using A, cast on **1** st on the empty needle, then k right after that the **36-40-44-48** sts, then cast on **1** extra st right after.

Work even in G. st on the **38-42-46-50** sts obtained until piece measures **2** cm (**¾** in) [**8** rows] since starting sleeve.

Decrease at each end, 2 sts in from edge:

Newborn: 1 st 5 times every 8th row, 1 st twice every 6th row.

1 month: 1 st 6 times every 8th row, 1 st twice every 6th row.

3 months: 1 st 8 times every 8th row, 1 st once every 6th row.

6 months: 1 st 9 times every 8th row, 1 st once every 6th row.

To decrease 1 st, 2 sts in from edge: k2, k2 together, continue row until 4 sts remain on left needle, slip 1 st, k1, pass slipped st over, k2.

Continue on the **24-26-28-30** remaining sts until piece measures approximately **13-15-17-19** cm (**5-6-6¾-7½** in) [**59-67-77-85** rows] since starting sleeve.

Cast off all sts knitwise on WS.

LEFT SLEEVE:

Using one needle on RS, slip the needle from left to right through each garter ridge from the scrap yarn of back to scrap yarn of left front (= orange line on diagram).

36-40-44-48 loops on needle = **36-40-44-48** sts obtained.

Using A, cast on **1** st on the empty needle, then k right after that the **36-40-44-48** sts, then cast on **1** extra st right after.

Work even in G. st on the **38-42-46-50** sts obtained until piece measures **2 cm (¾ in)** [**8 rows**] since starting sleeve.

Decrease at each end as for right sleeve.

Continue on the **24-26-28-30** remaining sts until piece measures approximately **13-15-17-19 cm (5-6-6½-7½ in)** [**59-67-77-85 rows**] since starting sleeve.

Cast off all sts knitwise on WS.

CLOSING TIES:

Cast on **12-13-14-14** sts.

Work **3** rows in G. st and cast off all sts knitwise on WS.

FINISHING:

Collar: Place on 1 needle the **5-5-6-7** sts left on hold from left front, then the **5-5-6-7** sts left on hold from right front.

Then:

- k **5-5-6-7** sts,
- pick up and k **51-51-53-56** sts along neck edge,
- k **5-5-6-7** sts.

Work in G. st for **4** rows on the **61-61-65-70** sts obtained and cast off all sts knitwise on WS.

Sew the sleeve seams and sides of crossover cardigan.

Attach one end of the closing tie along **1 cm (¼ in)** on WS of right front, **8-9-10-12 cm (3-3½-4-4½ in)** from lower edge.

Attach a button to other end of closing tie.

Sew the holed part of a press stud to WS of closing tie under the button.

Sew the rounded part of the press stud to RS of left front, **8-9-10-12 cm (3-3½-4-4½ in)** from lower edge near side seam.

Sew the rounded part of 2nd press stud to RS of left front, **1 cm (¼ in)** from beginning of slanted edge.

Sew the holed part of press stud facing the other part, on WS of right front, **3.5-4-4.5-4.5 cm (1¼-1½-1¾-1¾ in)** from side seam.

Buttonholes: On right front, make 2 no-cut buttonholes (See “Knitting: Stitches/Techniques/Tips”): the 1st one located **1.5 cm (½ in)** from top of collar, the 2nd one **1.5 cm (½ in)** further.

To wear, cross the right front over the left front, and sew 2 buttons facing the buttonholes on left front.

Secure and weave in ends.

HAT

Using B, cast on **71-78-85-92** sts.

Work in G. st for **7-8-9-10 cm (2¾-3-3½-4 in)** [**32-36-40-44 rows**].

Next row, work: k1, * k2 together, k5 *, repeat from * to * (= **10-11-12-13** decreases).

K **5** rows on the remaining **61-67-73-79** sts.

Next row, work: k1, * k2 together, k4 *, repeat from * to * (= **10-11-12-13** decreases).

K **5** rows on the remaining **51-56-61-66** sts.

Next row, work: k1, * k2 together, k3 *, repeat from * to *.

K **5** rows on the remaining **41-45-49-53** sts.

Next row, work: k1, * k2 together, k2 *, repeat from * to *.

K **5** rows on the remaining **31-34-37-40** sts.

Next row, work: k1, * k2 together, k1 *, repeat from * to *.

K **3** rows on the remaining **21-23-25-27** sts.

Next row, work: k1, then k2 together to end of row.

K **1** row on the remaining **11-12-13-14** sts.

Next row, work:

Newborn and 3 months: k1, then k2 together to end of row.

1 month and 6 months: k2 together to end of row.

Thread yarn end through the remaining **6-6-7-7** sts, pull tight and fasten off.

Sew hat seam.

Secure and weave in ends.
